

Undergraduate Application for Admission

Steps to apply:

- ① Submit your application along with a \$35 application fee. Make checks payable to Marian University. You may apply online for free at www.marian.edu. We give paper and online applications equal consideration. High school students may apply for admission after completion of their junior year.
- ② Request official copies of your high school and/or college transcripts be sent directly to the Office of Admission. You may request transcripts be sent digitally via an electronic transcript service (Parchment, The National Clearinghouse, e-scripts, etc.) to admissions@marian.edu. High school students who have earned college credit must submit all official college transcripts.
- ③ You must submit results from your SAT (Scholastic Aptitude Test) or ACT (American College Testing) exam if you:
 - Are under the age of 23 and have not attended any college or university.
 - Have completed less than 12 credit hours at a regionally accredited higher education institution.
 - Have completed courses at a non-accredited higher education institution.

Either test is acceptable for admission consideration. Results from your tests can be sent directly to Marian University when you register for the exam by using the SAT code 1442 or the ACT code 1224. Test scores received via an official high school transcript will also fulfill this requirement.

Students over the age of 23 enrolling directly from high school or completing less than 12 credit hours at a regionally accredited higher education institution must complete a pre-assessment text through the Office of Counseling and Consultation Services.

- ④ Final transcripts are required for high school seniors after graduation in order to enroll at Marian University.
- ⑤ Once an offer of admission has been made, you must submit a \$100 enrollment deposit. Enrollment deposits are due before May 1. If admission is granted after May 1, the deposit is due when you register for courses.
